ARBUCKLE PROJECT MAINTENANCE COMPLEX AND DISTRICT OFFICE CONVEYANCE ACT OF 2017

Mr. WEBSTER of Florida. Mr. Speaker, I move to suspend the rules and

pass the bill (H.R. 132) to authorize the Secretary of the Interior to convey certain land and appurtenances of the Arbuckle Project, Oklahoma, to the Arbuckle Master Conservancy District, and for other purposes.

The Clerk read the title of the bill.

The text of the bill is as follows:

H.R. 132

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,

SECTION 1. SHORT TITLE.

This Act may be cited as the "Arbuckle Project Maintenance Complex and District Office Conveyance Act of 2017".

SEC. 2. CONVEYANCE OF MAINTENANCE COMPLEX AND DISTRICT OFFICE OF THE ARBUCKLE PROJECT, OKLAHOMA.

(a) IN GENERAL.—The Secretary of the Interior shall, as soon as practicable, convey to the Arbuckle Master Conservancy District, located in Murray County, Oklahoma, all right, title, and interest of the United States in and to the Maintenance Complex and District Office, Arbuckle Project, Oklahoma, consistent with the terms and conditions set forth in the Agreement between the United States and the Arbuckle Master Conservancy District.

(b) DEFINITIONS.—

(1) AGREEMENT.—The term "Agreement" means the Agreement between the United States and the Arbuckle Master Conservancy District for Transferring Title to the Federally Owned Maintenance Complex and District Office to the Arbuckle Master Conservancy District (Agreement No. 14AG640141).

(2) DISTRICT OFFICE.—The term "District Office" means the headquarters building located at 2440 East Main, Davis, Oklahoma, and the approximately 0.83 acres described in the Agreement.

(3) MAINTENANCE COMPLEX.—The term "Maintenance Complex" means the caretakers residence, shop buildings, and any appurtenances located on the lands described in the Agreement, to include approximately 2.00 acres, more or less.

(c) LIABILITY.—Effective upon the date of conveyance of the Maintenance Complex and District Office under this section, the United States shall not be held liable by any court for damages of any kind arising out of any act, omission, or occurrence relating to the Maintenance Complex and District Office, except for damages caused by acts of negligence committed by the United States or by its employees or agents prior to the date of conveyance. Nothing in this section increases the liability of the United States beyond that provided in chapter 171 of title 28, United States Code (popularly known as the "Federal Tort Claims Act"), on the date of the enactment of this Act.

(d) BENEFITS.—After conveyance of the Maintenance Complex and District Office to the Arbuckle Master Conservancy District—

(1) the Maintenance Complex and District Office shall not be considered to be a part of a Federal reclamation project; and

(2) such water district shall not be eligible to receive any benefits with respect to any facility comprising that Maintenance Complex and District Office, except benefits that would be available to a similarly situated person with respect to such a facility that is not part of a Federal reclamation project.

(e) COMMUNICATION.—If the Secretary of the Interior has not completed the conveyance required under subsection (a) within 12 months after the date of enactment of this Act, the Secretary shall submit to Congress a letter with sufficient detail that explains the reasons the conveyance has not been completed and stating the date by which the conveyance will be completed.

The SPEAKER pro tempore. Pursuant to the rule, the gentleman from Florida (Mr. WEBSTER) and the gentleman from California (Mr. HUFFMAN) each will control 20 minutes.

The Chair recognizes the gentleman from Florida.

GENERAL LEAVE

Mr. WEBSTER of Florida. Mr. Speaker, I ask unanimous consent that all Members may have 5 legislative days to revise an extend their remarks and include extraneous materials on the bill under consideration.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from Florida?

There was no objection.

Mr. WEBSTER of Florida. Mr. Speaker, I yield myself such time as I may consume.

H.R. 132, sponsored by Congressman TOM COLE of Oklahoma, conveys two buildings and two acres of land of the Federal Arbuckle Project to the Arbuckle Master Conservancy District, Oklahoma. The district has operated and maintained the project for decades, and completed repayment of its capital costs for the project in 2012.

While noncontroversial, legislation is necessary in order to facilitate this and other Bureau of Reclamation title transfers. Under current law, these buildings and land remain in Federal ownership until legislation is enacted to transfer the title to the district. Mr. COLE's bill achieves this objective.

This title transfer is a win-win for the district and for the Federal Government. The district will no longer be subject to certain Federal paperwork requirements, and the Federal Government will be relieved of all future liability and financial responsibilities associated with these facilities and land.

I urge the adoption of this measure, which overwhelmingly passed the House on a bipartisan basis in the last Congress.

Mr. Speaker, I reserve the balance of my time.

Mr. HUFFMAN. Mr. Speaker, I yield myself such time as I may consume.

Mr. Speaker, H.R. 132, as the gentleman from Florida just mentioned, would allow a title transfer of two Federal buildings to the Arbuckle Master Conservancy District in south-central Oklahoma. These are buildings that were part of the Arbuckle Project, which is a water project authorized by Congress back in 1962 to provide flood control, recreational opportunities, and municipal water supply.

Nearly all the facilities within this project were already transferred to the Arbuckle Master Conservancy District in 2012, after the district finish repaying what it owed to the Federal Government for construction. However, due to some overly narrow language in the legislation authorizing this project, two buildings have yet to be transferred.

Transferring them will save taxpayers money that would otherwise be
